

NEOSUN Energy Warns of Fraudulent Activities in Kenya!

Neosun Energy hereby warns about potential fraudulent activities occurring in the Republic of Kenya.

In January 2025, unknown individuals with no affiliation to our company registered an entity in Kenya under a similar name, “Neosun Energy Limited.”

We officially declare that the company “**Neosun Energy Limited,**” registered under the name of **Director DENNIS MBLAKA MUTHAMA,** has no connection whatsoever with our company.

Furthermore, the email address **neosunenergy25@mail.com** is not associated with us, and is not used by our employees.

Any emails received from this address, as well as any offers or communications from this entity, may be linked to fraudulent activities. Please remain vigilant. If you receive any contact attempts from this fraudulent company, we urge you to report them directly to us at info@neosun.com.

At present, we have already initiated an official investigation into the activities of the individuals behind this company. Law enforcement agencies and police authorities are involved in the verification process.

Neosun Energy remains committed to protecting its partners and customers from fraudulent schemes!

Stay alert and verify all communications before engaging in any business transactions.
